

## Community Day A Great Success

With temperatures hovering in the low 90s, it's safe to say that everyone had a **HOT** time at Carolina Christian College's annual "Community Day". In our continued effort to be true to our mission, CCC ministered to REAL people on Saturday, June 26<sup>th</sup> beginning at 10 o'clock am. People from the community came out and enjoyed music and various festivities. There was a free clothing giveaway as well as a food giveaway. CCC fed over 100 people.

Carolina Christian College is very grateful to everyone who donated to this great event. So if you gave food, clothing, money or time, **THANK YOU!** If you didn't donate, don't worry! You have another opportunity to help us be a blessing to the community.

We will have a second Community Day in September! We need your donations of non-perishable foods, clothing or a financial gift. Anything you do will be greatly appreciated. We will contact you as we get closer to the next Community Day for your donations. Thank you in advance.

### **MESSAGE FROM THE DEAN**

In light of the nation's current economic situation, we know all too well that things are tough and people have got to tighten their proverbial belts in numerous areas and in numerous ways. We here at Carolina Christian College are not exempt. For this reason, we are reaching out to you and asking that you prayerfully make a sacrificial donation to the college. Whatever you can sacrifice would be greatly appreciated. If a widow's mite can move our Lord, what can your contribution do? Thank you in advance.

*Dean LaTanya Lucas*
